- B. **Other New Individual Accounts.** With respect to New Individual Accounts not described in paragraph A of this section, upon account opening, (or within 90 days after the end of the calendar year in which the account ceases to be described in paragraph A of this section), the Reporting Anguilla Financial Institution must obtain a self-certification which may be part of the account opening documentation, that allows the Reporting Anguilla Financial Institution to determine whether the Account Holder is resident in the United Kingdom for tax purposes and confirm the reasonableness of such self-certification based on the information obtained by the Reporting Anguilla Financial Institution in connection with the opening of the account, including any documentation collected pursuant to AML/KYC Procedures.
 - C. If the self-certification establishes that the Account Holder is resident in the United Kingdom for tax purposes, the Reporting Anguilla Financial Institution must treat the account as a United Kingdom Reportable Account.
 - D. If there is a change of circumstances with respect to a New Individual Account that causes the Reporting Anguilla Financial Institution to know or have reason to know that the original self-certification is incorrect or unreliable, the Reporting Anguilla Financial Institution cannot rely on the original self-certification and must obtain a valid self-certification that establishes whether the Account Holder is resident in the United Kingdom for tax purposes. If the Reporting Anguilla Financial Institution is unable to obtain a valid self-certification, the Reporting Anguilla Financial Institution must treat the account as a United Kingdom Reportable Account.
- IV. **Preexisting Entity Accounts.** The following rules and procedures apply for purposes of identifying United Kingdom Reportable Accounts (“Preexisting Entity Accounts”).

For this purpose, information indicating that the Entity is a Specified United Kingdom Person includes the place of incorporation or organisation, or an address in the United Kingdom.
 - b) If the information indicates that the Entity Account Holder is a Specified United Kingdom Person, the Reporting Anguilla Financial Institution must treat the account as a United Kingdom Reportable Account unless it obtains a self-certification from the Account Holder, or reasonably determines based on information in its possession or that is publicly available, that the Account Holder is not a Specified United Kingdom Person.
 2. **Determine Whether a Non-United Kingdom Resident Entity is a Financial Institution.**

3. **Determine Whether an Account Held by an NFFE is a United Kingdom Reportable Account.** With respect to an Entity Account Holder of a Preexisting Entity Account that is not identified as either a Specified United Kingdom Person or a Non-United Kingdom Resident Entity which is a Financial Institution, the Reporting Anguilla Financial Institution must identify (i) whether the Entity has Controlling Persons, (ii) whether the Entity is a Passive NFFE, and (iii) whether any of the Controlling Persons of the Entity is a Specified United Kingdom Person. In making these determinations the Reporting Anguilla Financial Institution should follow the guidance in a) to d) of this subparagraph in the order most appropriate under the circumstances.
- a) For purposes of determining the Controlling Persons of an Entity, a Reporting Anguilla Financial Institution may rely on information collected and maintained pursuant to AML/KYC Procedures.
 - b) For purposes of determining whether the Entity is a Passive NFFE, the Reporting Anguilla Financial Institution must obtain a self-certification from the Entity Account Holder to establish its status, unless it has information in its possession or that is publicly available, based on which it can reasonably determine that the Entity is an Active NFFE.
 - c) For purposes of determining whether a Controlling Person of a Passive NFFE is a Specified United Kingdom Person, a Reporting Anguilla Financial Institution may rely on:

 3. If there is a change of circumstances with respect to a Preexisting Entity Account that causes the Reporting Anguilla Financial Institution to know or have reason to know that the self-certification or other documentation associated with an account is incorrect or unreliable, the Reporting Anguilla Financial Institution must re-determine the status of the account in accordance with the procedures set forth in paragraph D of this section.
- V. **New Entity Accounts.** The following rules and procedures apply to accounts held by Entities and opened on or after 1 July 2014 (“New Entity Accounts”).

 - B. **Other New Entity Accounts** With respect to New Entity Accounts not described in paragraph A of this section, the Reporting Anguilla Financial Institution must determine whether the Account Holder is: (i) a Specified United Kingdom Person; (ii) a Non-United Kingdom Resident Entity which is a Financial Institution; (iii), a non-reporting Financial Institution; (v) an exempt beneficial owner; (vi) an Active NFFE or a Passive NFFE.

 - D. In all other cases, a Reporting Anguilla Financial Institution must obtain a self-certification from the Entity Account Holder to establish the Account Holder’s status. Based on the self certification, the following rules apply:

If the Entity Account Holder is a *Passive NFFE*, the Reporting Anguilla Financial Institution must identify the Controlling Persons as determined under AML/KYC Procedures, and must determine whether any such person is a resident in the United Kingdom for tax purposes on the basis of a self-certification from the Account Holder or such person. If any such person is a resident in the United Kingdom for tax purposes, the account shall be treated as a United Kingdom Reportable Account.
3. If the Entity Account Holder is: (i) a Person resident in the United Kingdom that is not a Specified United Kingdom Person; (ii) a Non-United Kingdom Resident Entity which is a Financial Institution; (iii) a Non-Reporting Financial Institution, (iv) an exempt beneficial owner; (v) an Active NFFE; or (vi) a Passive NFFE; none of the Controlling Persons of which is a Specified United Kingdom Person, then the account is not a United Kingdom Reportable Account and no reporting is required with respect to the account.

**MULTILATERAL COMPETENT
AUTHORITY AGREEMENT
ON AUTOMATIC EXCHANGE
OF FINANCIAL ACCOUNT INFORMATION**

Whereas, the jurisdictions of the signatories to the Multilateral Competent Authority Agreement on Automatic Exchange of Financial Account Information (the "Agreement") are Parties of, or territories covered by, the Convention on Mutual Administrative Assistance in Tax Matters or the Convention on Mutual Administrative Assistance in Tax Matters as amended by the Protocol amending the Convention on Mutual Administrative Assistance in Tax Matters (the "Convention") or have signed or expressed their intention to sign the Convention and acknowledge that the Convention must be in force and in effect in relation to them before the first exchange of financial account information takes place;

Whereas, the jurisdictions intend to improve international tax compliance by further building on their relationship with respect to mutual assistance in tax matters;

Whereas, the Common Reporting Standard was developed by the OECD, with G20 countries, to tackle tax avoidance and evasion and improve tax compliance;

Whereas, a country that has signed or expressed its intention to sign the Convention will only become a Jurisdiction as defined in Section 1 of this Agreement once it has become a Party to the Convention;

Whereas, the laws of the respective Jurisdictions require or are expected to require financial institutions to report information regarding certain accounts and follow related due diligence procedures, consistent with the scope of exchange contemplated by Section 2 of this Agreement and the reporting and due diligence procedures set out in the Common Reporting Standard;

Whereas, it is expected that the laws of the Jurisdictions would be amended from time to time to reflect updates to the Common Reporting Standard and once such changes are enacted by a Jurisdiction the definition of Common Reporting Standard would be deemed to refer to the updated version in respect of that Jurisdiction;

Whereas, Chapter III of the Convention authorises the exchange of information for tax purposes, including the exchange of information on an automatic basis, and allows the competent authorities of the Jurisdictions to agree the scope and modalities of such automatic exchanges;

Whereas, Article 6 of the Convention provides that two or more Parties can mutually agree to exchange information automatically, the exchange of the information will be on a bilateral basis between the Competent Authorities;

**ACCORD MULTILATERAL
ENTRE AUTORITES COMPETENTES CONCERNANT
L'ECHANGE AUTOMATIQUE
DE RENSEIGNEMENTS RELATIFS AUX COMPTES FINANCIERS**

Considérant que les juridictions des signataires de l'Accord multilatéral entre autorités compétentes concernant l'échange automatique de renseignements relatifs aux comptes financiers (l'« Accord ») sont des Parties à la Convention concernant l'assistance administrative mutuelle en matière fiscale ou à la Convention concernant l'assistance administrative mutuelle en matière fiscale telle qu'amendée par le Protocole d'amendement à la Convention concernant l'assistance administrative mutuelle en matière fiscale (la « Convention »), ou des territoires couverts par cette Convention, ou ont signé ou exprimé leur intention de signer la Convention et reconnu que la Convention doit être en vigueur et avoir pris effet à leur égard avant que n'ait lieu le premier échange de renseignements relatifs aux comptes financiers;

Considérant que les juridictions ont l'intention d'améliorer le respect des obligations fiscales à l'échelle internationale en approfondissant davantage leur relation concernant l'assistance mutuelle en matière fiscale;

Considérant que la Norme commune de déclaration a été élaborée par l'OCDE, avec les pays du G20, pour lutter contre l'évasion et la fraude fiscales et améliorer le respect des obligations fiscales ;

Considérant qu'un pays qui a signé ou exprimé son intention de signer la Convention ne deviendra une Juridiction telle que définie à la section 1 du présent Accord que lorsqu'il sera devenu Partie à la Convention ;

Considérant que les lois des Juridictions respectives imposent ou devraient imposer aux institutions financières de communiquer des informations concernant certains comptes et de suivre les procédures de diligence raisonnable qui s'y rattachent, conformément à la portée des échanges définie à la section 2 du présent Accord et aux procédures de déclaration et de diligence raisonnable établies dans la Norme commune de déclaration ;

Considérant que la législation des Juridictions devrait être périodiquement modifiée afin de tenir compte des mises à jour de la Norme commune de déclaration, et qu'une fois ces modifications promulguées par une Juridiction, la définition de la Norme commune de déclaration sera réputée faire référence à la version mise à jour pour cette Juridiction ;

Considérant que le chapitre III de la Convention autorise l'échange de renseignements à des fins fiscales, y compris de manière automatique, et autorise les autorités compétentes des Juridictions à définir la portée et les modalités de ces échanges automatiques ;

Considérant que l'article 6 de la Convention prévoit que deux Parties ou plusieurs peuvent convenir mutuellement d'échanger automatiquement des renseignements, et que l'échange des renseignements s'effectuera sur une base bilatérale entre Autorités compétentes ;

Whereas, the Jurisdictions have, or are expected to have, in place by the time the first exchange takes place (i) appropriate safeguards to ensure that the information received pursuant to this Agreement remains confidential and is used solely for the purposes set out in the Convention, and (ii) the infrastructure for an effective exchange relationship (including established processes for ensuring timely, accurate, and confidential information exchanges, effective and reliable communications, and capabilities to promptly resolve questions and concerns about exchanges or requests for exchanges and to administer the provisions of Section 4 of this Agreement);

Whereas, the Competent Authorities of the jurisdictions intend to conclude an agreement to improve international tax compliance based on automatic exchange pursuant to the Convention, without prejudice to national legislative procedures (if any), respecting EU law (if applicable), and subject to the confidentiality and other protections provided for in the Convention, including the provisions limiting the use of the information exchanged thereunder;

Now, therefore, the Competent Authorities have agreed as follows:

Considérant que les Autorités compétentes des juridictions ont l'intention de conclure un accord afin d'améliorer le respect des obligations fiscales à l'échelle internationale sur la base d'échanges automatiques en application de la Convention, sans préjudice des procédures législatives nationales (s'il y en a), dans le respect du droit de l'UE (s'il est applicable) et sous réserve de la confidentialité et des garanties prévues par la Convention, y compris les dispositions qui limitent l'utilisation des renseignements échangés en vertu de celle-ci ;
